

# WE'LL TEACH YOU HOW TO MAKE THE MOST OF YOUR DATA WITH MICROSOFT POWER BI

WE PROVIDE  
TRAINING WORKSHOPS &  
COURSES AT EVERY LEVEL

## HELPING ORGANISATIONS LIKE YOURS BECOME EFFECTIVE POWER BI USERS

Our data and insights experts will guide you step by step through a range of training workshops so you'll have confidence using Power BI to transform your business.

- Course customisation available
- All workshops 8 hours
- Classroom and virtual training
- Suitable for business and power users
- Maximum 8 students per class

## BEGINNER

Create visualisations and dashboards

Master the basics

- How to build new dashboards & data visualisations.
- Access and source data.
- Perform modelling.
- Share dashboards & reports with other users.

## INTERMEDIATE

Power Query, data modelling (DAX), and visualisation

Move to the next level

- Learn data visualisation including dynamic conditional formatting by calculations (DAX), cross-filtering, bookmarks, and visual tooltips.
- Data sourcing and transformation with Power Query (M).
- Data modelling including DAX, hierarchies, quick measures, time intelligence, measure tables and managing relationships.

## ADVANCED

Data manipulation, modelling (DAX), and interactive reports.

Harness the ultimate potential of Power BI

- Handle multiple data sources and data transformation with Power Query (M).
- Data modelling including virtual tables in DAX, calculation groups, Row Level Security (RLS), Object Level Security (OLS), build composite models and aggregations.
- Create interactive reports.

## POWER BI GOVERNANCE

Managing the online service and securing your data and dashboards.

For Power BI administrators and those who govern the platform security and its services.

- How to set up and maintain the Power BI service.
- Managing users, groups, security apps/content packs and workspaces.
- Governance – who can deploy, what can they deploy?

## CUSTOM TRAINING

Create your own Power BI training workshops

- Use your own organisation's data.
- Choose between our standard training format or a different approach that works for you.

## PRICES

**From \$3600 + GST** (up to 4 students)
