BOOTH INFORMATION & EXAMPLES

STANDARD PACKAGE INFORMATION

If your contract includes an exhibit or meeting space this is what's included:

- Exhibit space 3m x 2m
- 1x rectangular table
- 2x chairs
- 1x power socket access
- Complimentary WiFi

You are permitted to erect pop-up banners, backdrops, display screens, etc. provided that you do not exceed your 3m x 2m allocated space and do not exceed 3m in height. All additional display items placed into your space must be in good working order and must not pose any risk to neighbouring exhibit spaces or attendees.

Please use the [AV Order Form](#) in the Sponsor Portal to order items such as display screens. Stand upgrades and enhancements to improve your brand impact at the event are available; please consult the ["Upgrades"](#) document in the sponsor portal.

Please note the rectangular table will be dressed as shown in the image above. If you wish to add your own tablecloth, the dimensions of the table are: 72cm high x 60cm deep x 130cm width

If you require more than one power outlet (e.g for display screens, laptops, phone charging, etc.) please bring a PAT tested extension cable with you. Extension cables will not be available to borrow from the venue or the organisers.

If you wish to use a contractor to undertake a stand-build, please contact the Operations Manager to discuss your requirements:
