

## Why is Talent so Challenging?

How did we get here and what do we do about it?

## **Four Variables of Hiring:**

> Competition > Quality > Cost > Time

|                        | Competition | Quality | Cost | Time |
|------------------------|-------------|---------|------|------|
| Recruiting<br>Teams    |             |         |      |      |
| University<br>Programs |             |         |      |      |
| Staffing<br>Firms      |             |         |      |      |

WILEY

## **Hire-Train-Deploy**

#### WHAT IT ISN'T!

- > Not a bootcamp
- > Not a traditional staffing offering
- > Not a graduate program

EDGE

WILEY

#### WHAT IT IS!

A unique combination of:

- > Sourcing talent
- > Screening talent
- > Preparing talent for your business

#### Without:

- > The upfront costs
- > Risk
- > Effort

## **HTD vs. Four Variables**

|                         | Competition | Quality | Cost | Time |
|-------------------------|-------------|---------|------|------|
| Hire<br>Train<br>Deploy |             |         |      |      |

## What to be Aware Of

### Four Points of Due Diligence

#### 1. Reach

#### 2. Program Flexibility

#### 3. Training

- > Geographic
- > Technical

- > Take it or leave it model
- Or shaped to your business needs

- > Train the trainer model
- > Industry expert trainers

## What to be Aware Of

### Four Points of Due Diligence

**4. Trainee Experience** 

- Growth of HTD gives employers & trainees options
- Trainee experience is a reflection on the employer
- > Pay, Benefits and support
- Training bonds/Contracts/Threat of legal pursuit

## **ReSkill vs. Four Variables**

|                      | Competition | Quality | Cost | Time |
|----------------------|-------------|---------|------|------|
| ReSkill<br>Solutions |             |         |      |      |

## . . . .

## **ReSkill Due Diligence**
