TESTIMONIALS

“RE•WORK does an excellent job in blending industry with academia. The conferences are very targeted and it has been a very successful experience for me so far attending this conference”

CEO - Laser Aerospace

★★★★★

“I had a great evening meeting so many interesting fellow data scientists and seeing some inspiring talks about various AI use cases”

Head of Data Science - USPS

★★★★★

“As an ML expert, I get to come here and see what people out in the business world want ML researchers to solve for them. I can then take this back and implement it on a granular level”

Director, AI Research, Apple

★★★★★
