

Always On Data Assurance

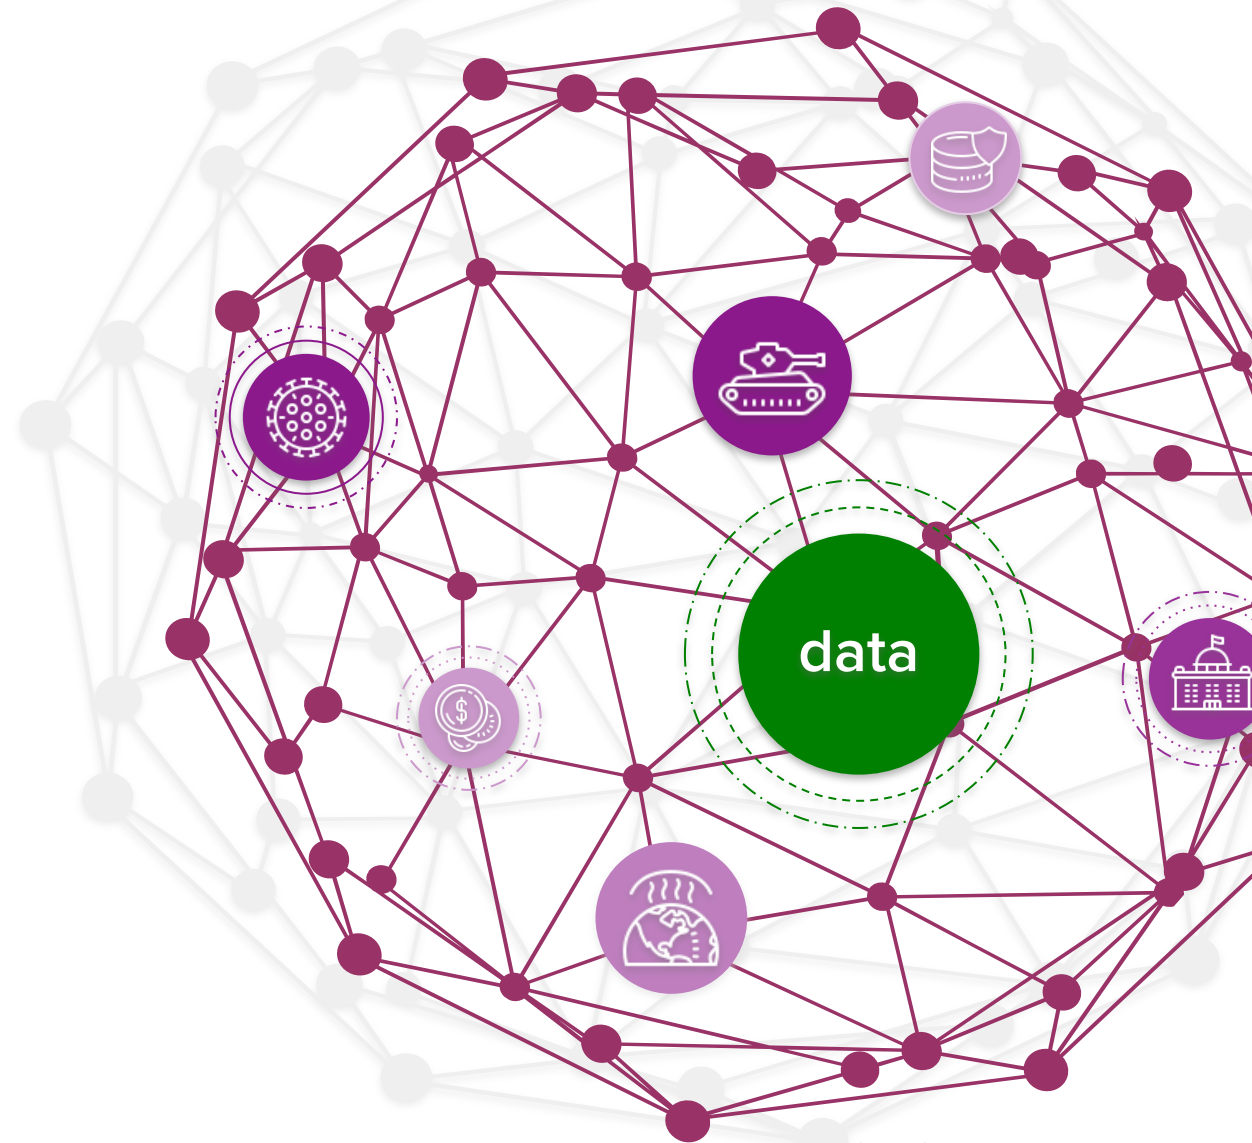

balancing compliance, risk and value

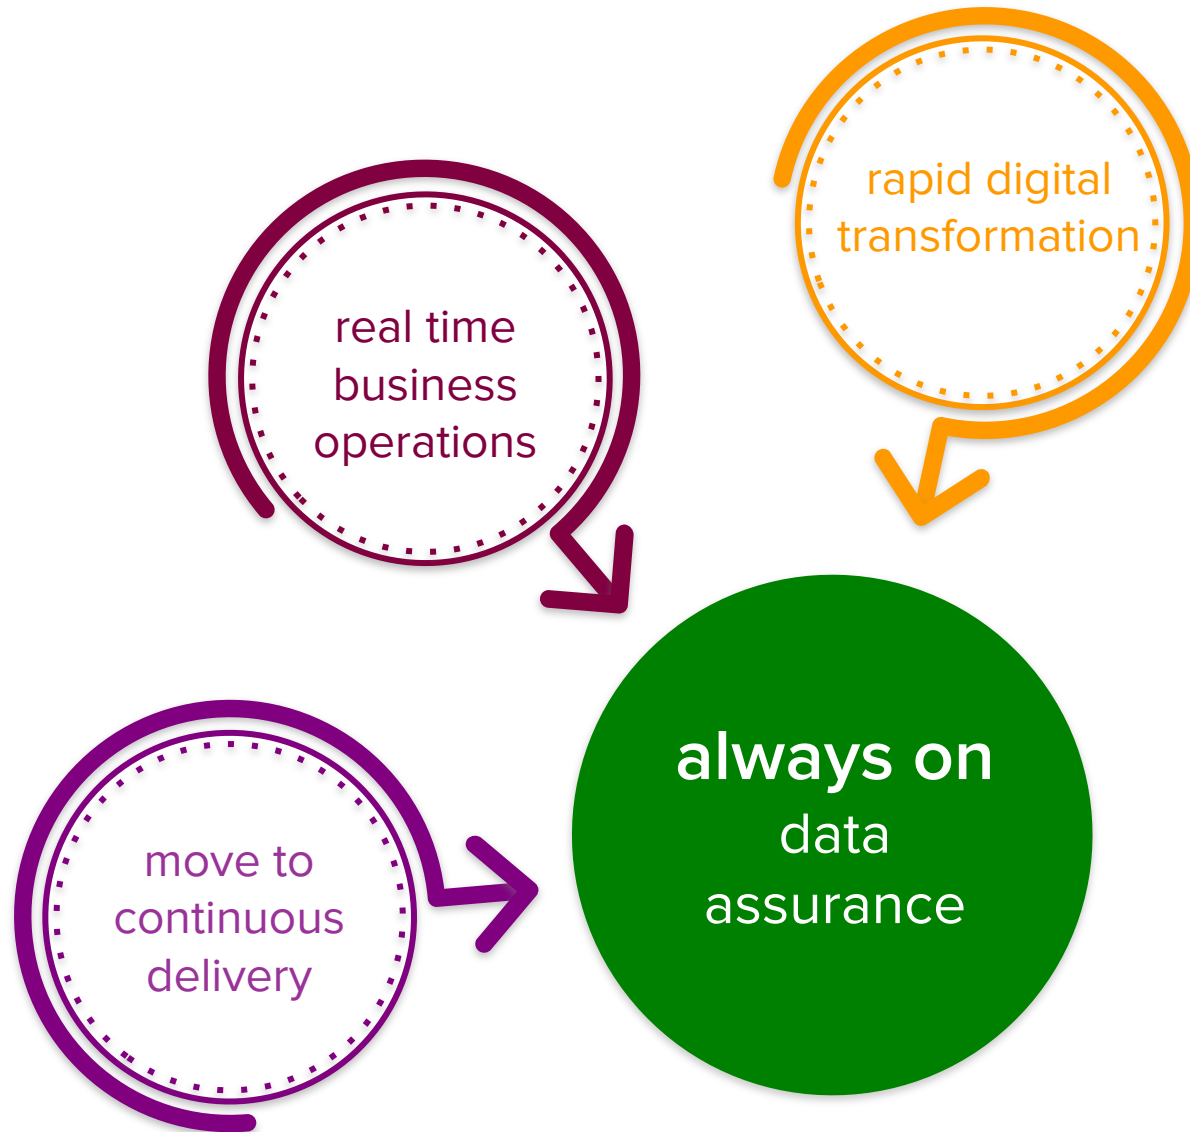

dataXchange

WITH DATA AT THE CENTRE OF THE CHAOS

business leaders are
working within an
increasingly complex
environment

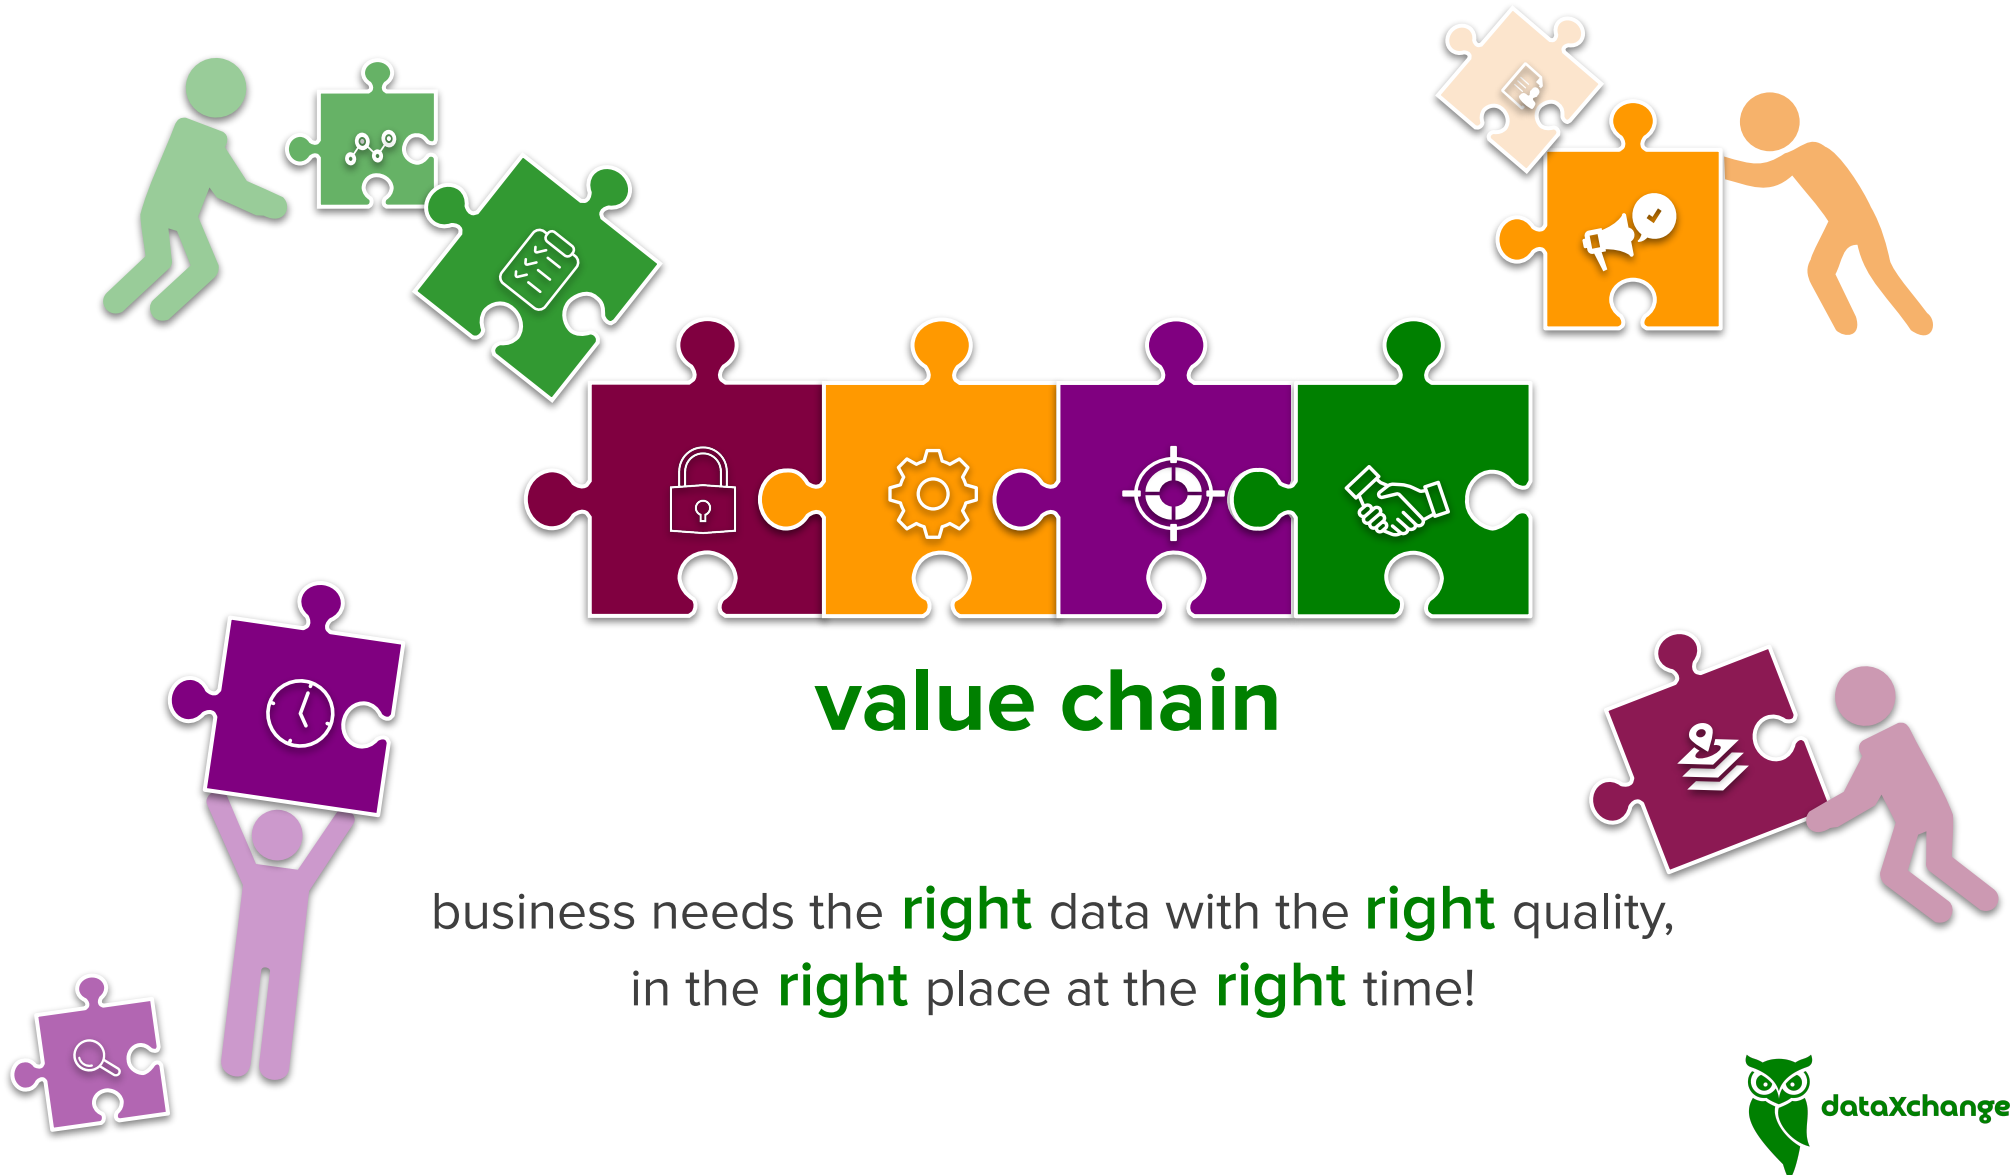

SPEED, SCALE AND STABILITY

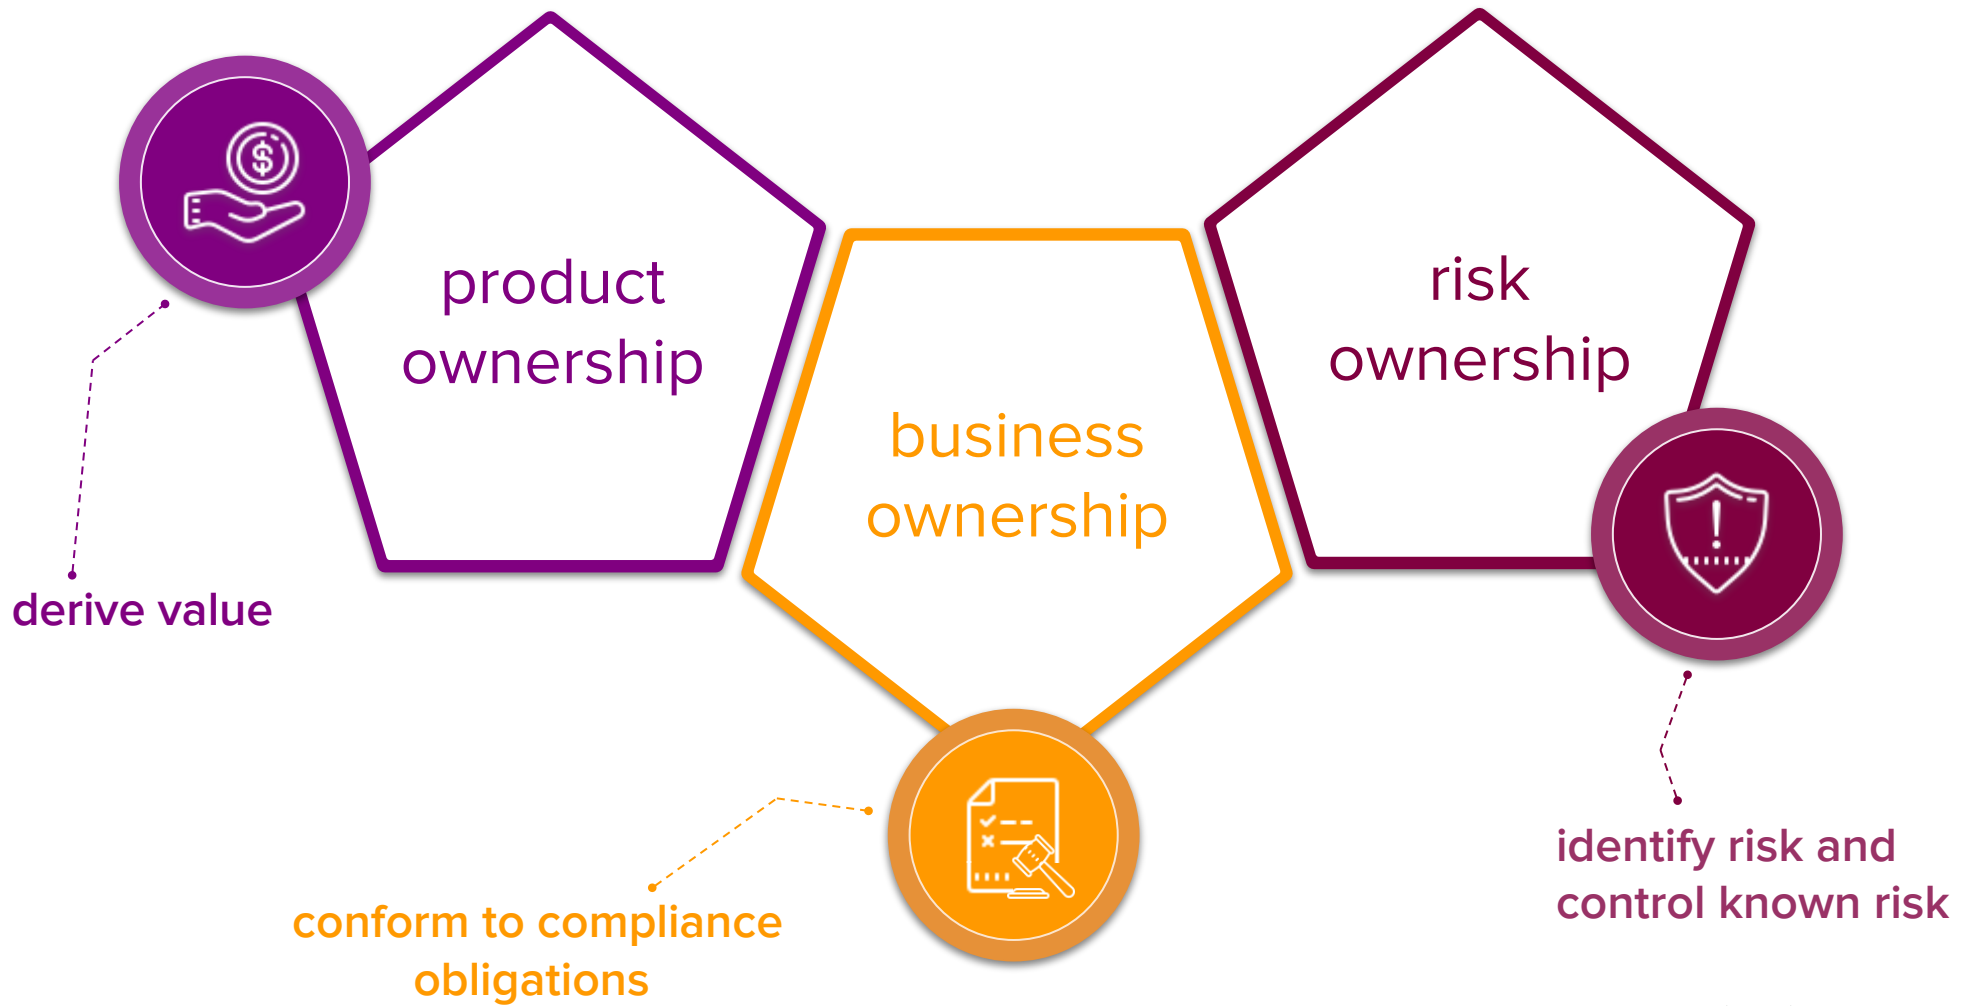

in the modern world all
businesses are
data driven businesses

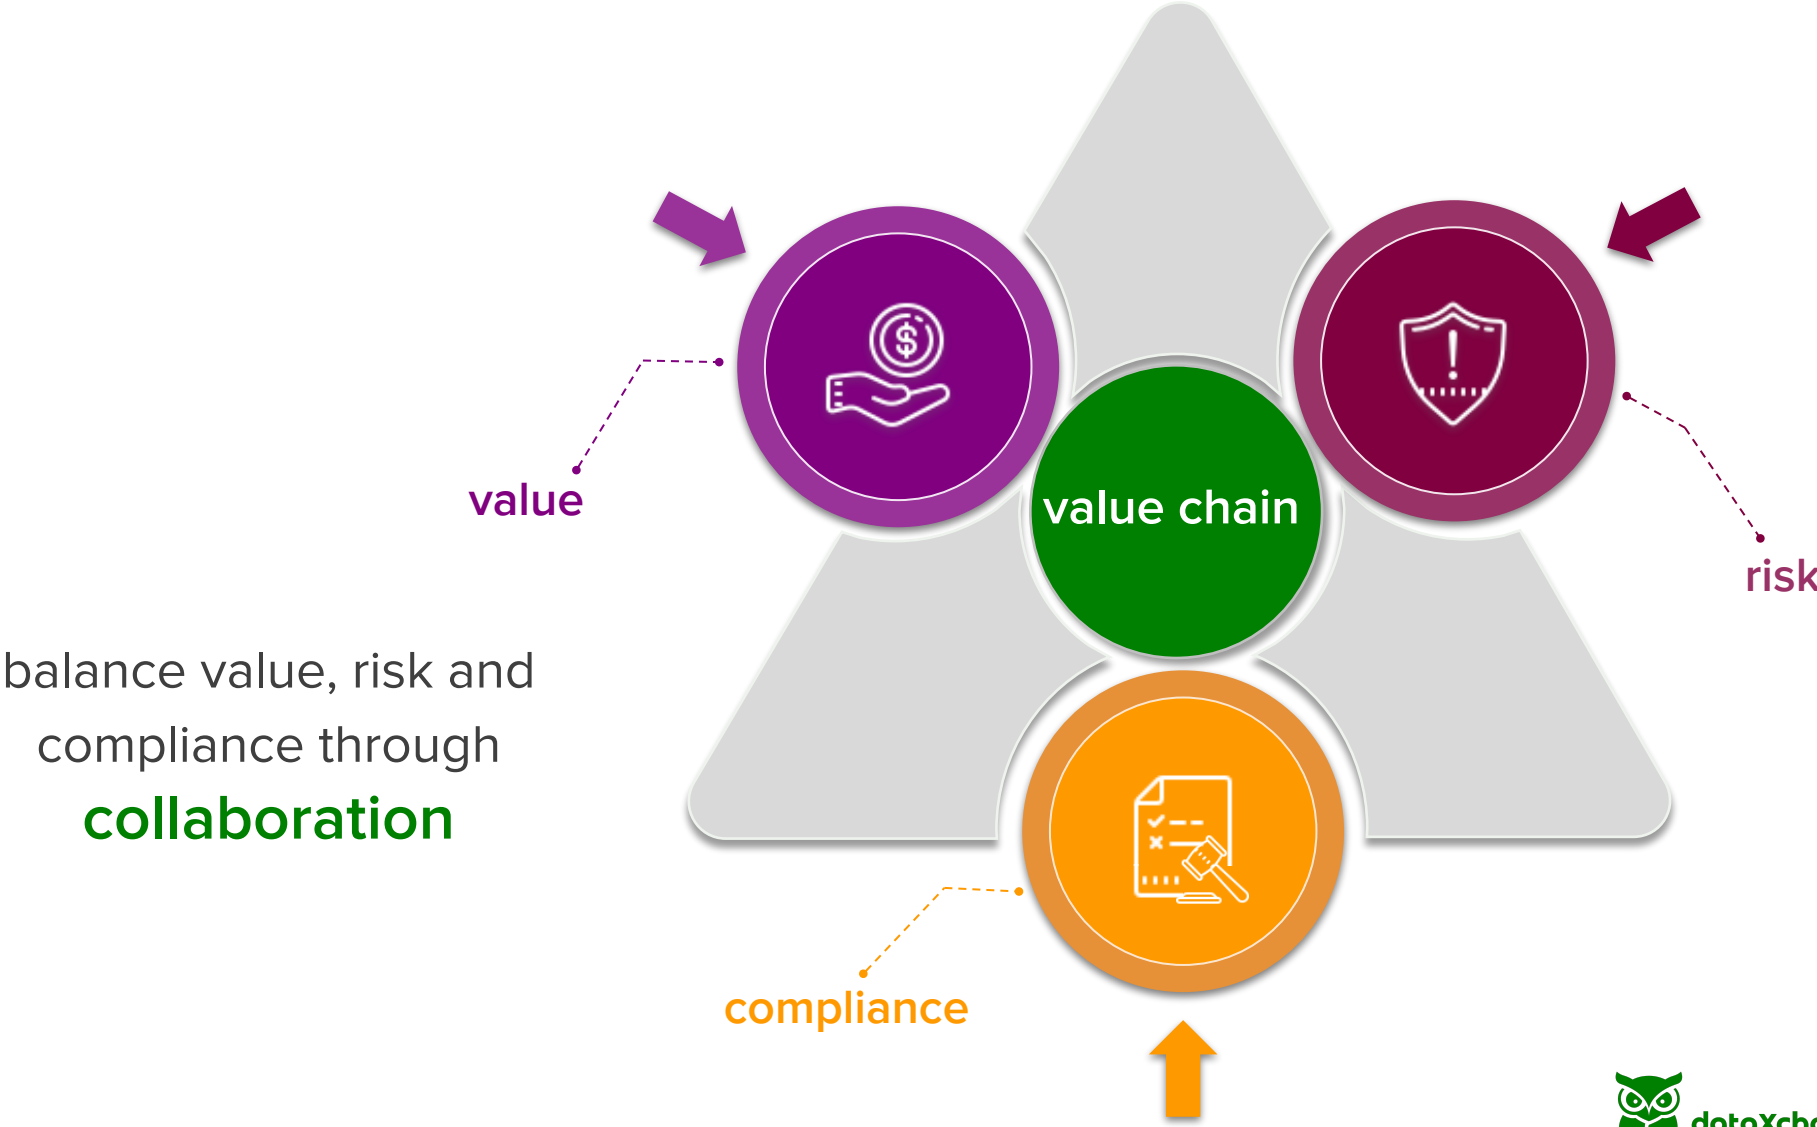

ORGANISATIONAL ALIGNMENT TO DATA

THERE IS NATURAL TENSION

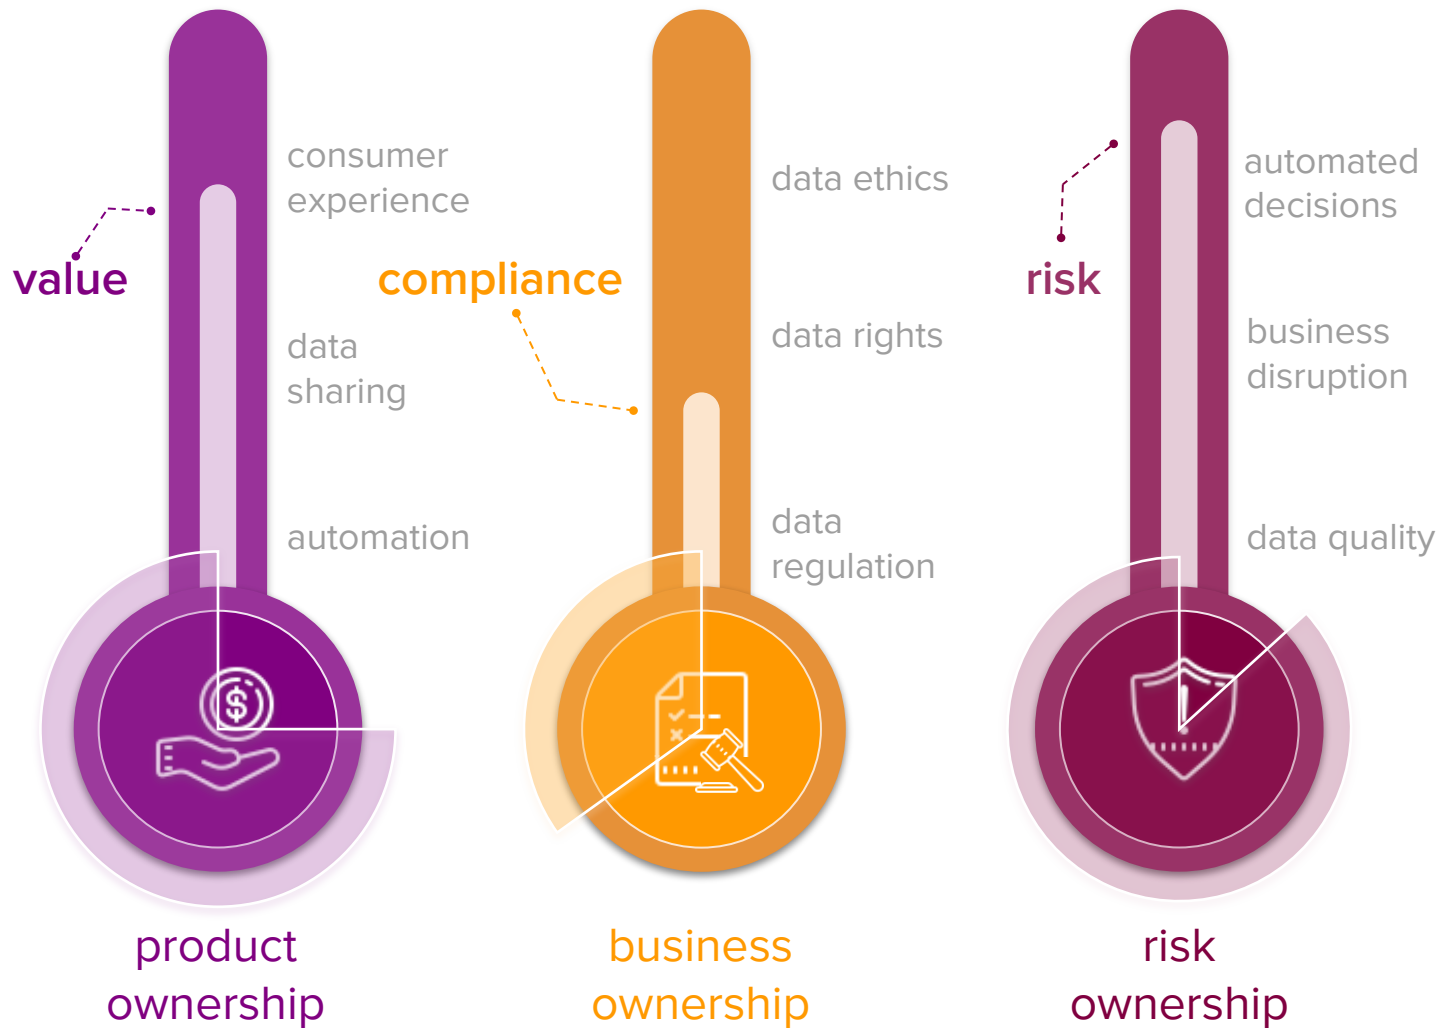

BRING TOGETHER VALUE, COMPLIANCE AND RISK

balance value, risk and compliance through **collaboration**

RIGHT LEVEL OF DATA ASSURANCE

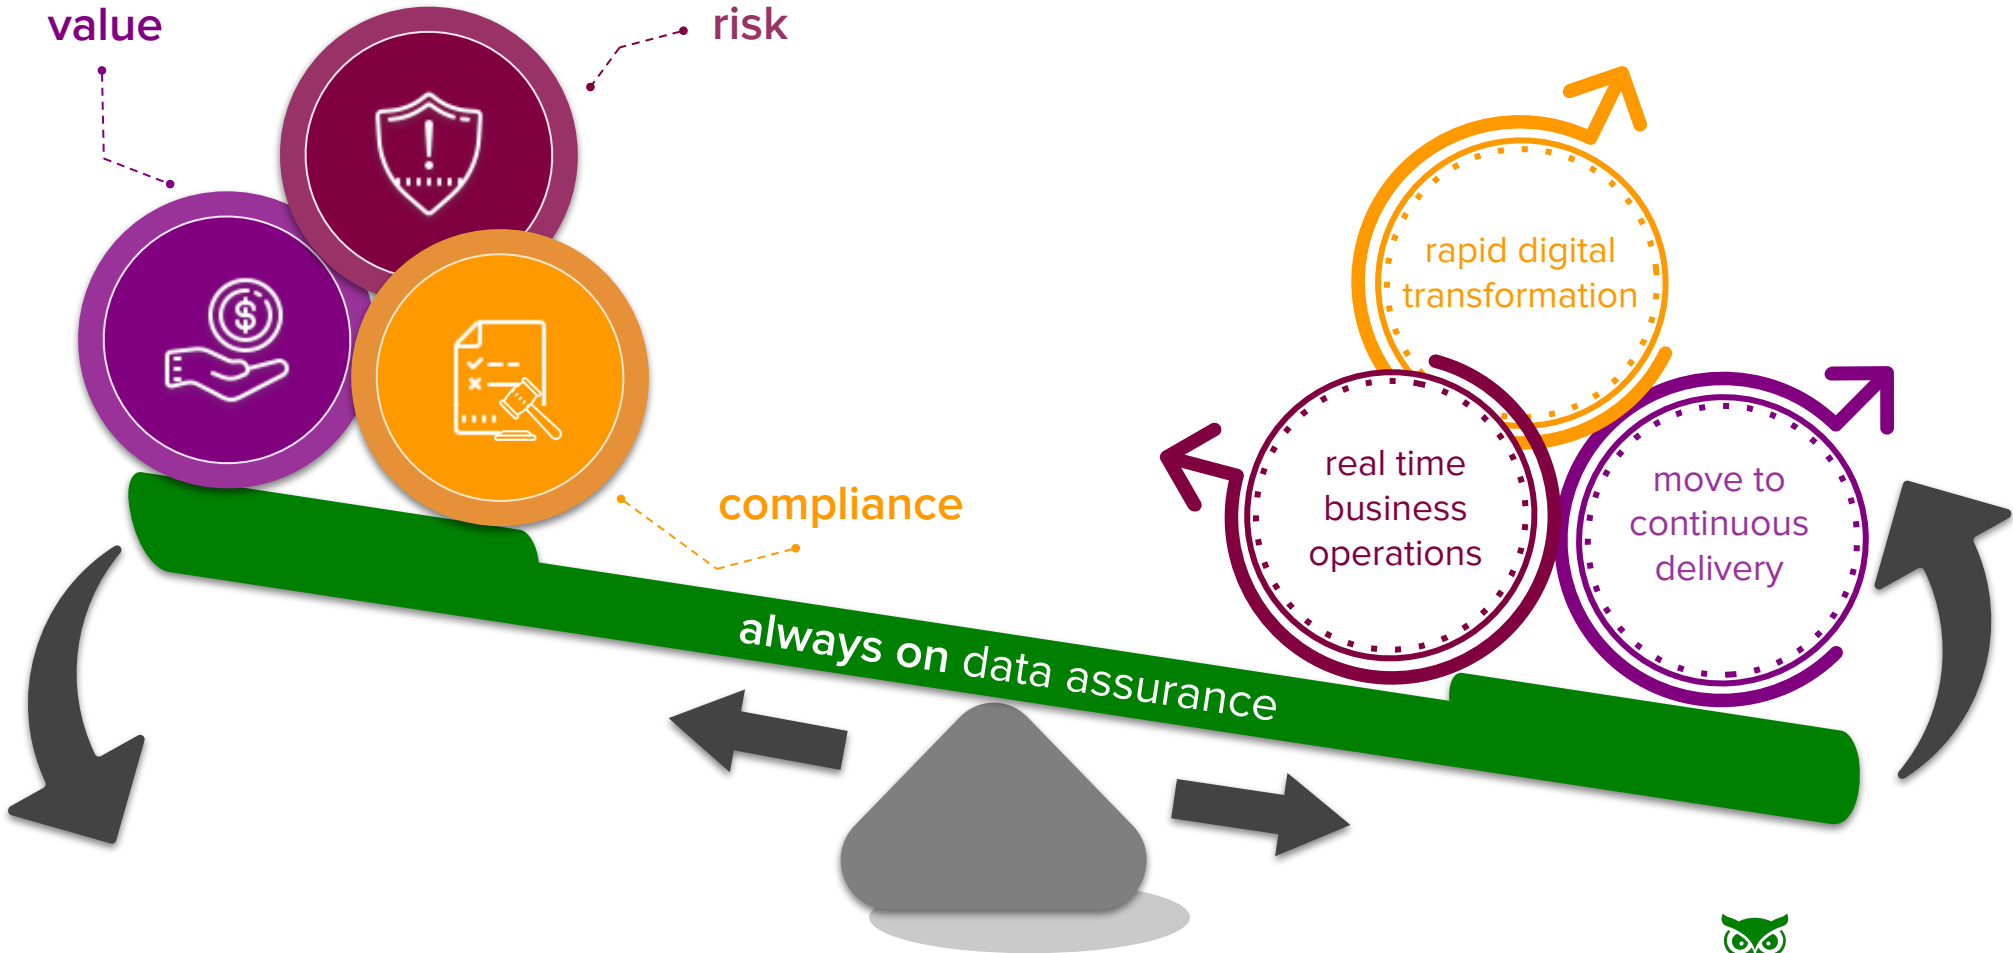

balance assurance
to fit the organisation
and the strategy

ASSURE DATA TO THE BEAT OF BUSINESS

working to the **pulse of the data flow** rather than disrupting it like a clogged artery

BALANCE THE EVOLUTION
