issues

**2012-18**  
admin job, no  
guidance

**2021-22**  
Trained 100s, LIL  
Instructor, Silicon Valley

“The future of data  
science lies in our data  
talent.

Talent is key to driving  
the excellent services  
you want to provide.”  
Who are you taking a  
chance on?

Go to [www.menti.com](https://www.menti.com) and use the code 3904 3098

As a data leader are you  
personally grooming  
data talent?

# Thank You
