# APGAR.

Data for Good Reasons.

International group,  
expert in data management.

Apgar builds a long term partnership  
with its international clients...

...to help them make  
the best use of their data.

## OUR VALUES

**Commitment.**  
**Partnership.**  
**Excellence.**  
**Ethic.**

Apgar is a leading data advisory company supporting its customers in their journey to build a foundation for trusted data.

Built with strong values, Apgar aims to provide sustainable advisory services. Innovation and pragmatism are the keys of our data-minded approach.

Apgar acts for small and large companies, in Europe, the Middle East, the North and South of America.
