

WV Technologies

Certainty with Purpose

WV Technologies is an award winning IT Lifecycle Services company. We are a proudly Indigenous owned Supply Nation Registered Business and a Social Enterprise certified by Social Traders.

We specialise in secure ICT disposals, data sanitisation and destruction to Australia's highest standards, asset remarketing and eWaste recycling.

We create value for our customers by delivering the highest quality outcomes while meeting environmental, social and Indigenous procurement goals.

Winner of the **2022 Indigenous Sourcing Project of the Year** in the Faculty Awards of Excellence, WV Technologies is also two-times finalist as **Supply Nation Registered Business of the Year** and **Social Traders Social Enterprise of the Year**.

Our Value to You

Security

We protect your data through NAID AAA certified and Government PSPF endorsed destruction and sanitisation services to Top Secret. You enjoy full compliance and protection with Defence grade services delivered by our security cleared and highly trained specialist team.

Indigenous and Social Procurement

By engaging WV Technologies, you achieve your Indigenous and social procurement goals. We employ a 40% Indigenous workforce including First Nations people in disadvantaged circumstances.

Sustainability

We support responsible business through environmental outcomes and creating jobs for Aboriginal and Torres Strait Islander people. We undertake in-house recycling and report to you on Greenhouse Gas Emissions savings and landfill reduction.

IT Asset Disposal (ITAD) & Related Legislation and Standards

Are you meeting your cyber security, environmental
and social responsibility obligations?
